

**POLICY FOR A COMMON IDENTIFICATION  
STANDARD FOR FEDERAL EMPLOYEES AND  
CONTRACTORS**

**Date: April 25, 2006**

*Time: 1 to 3 p.m.*

**Workshop will be presented by General Services Administration and the Office of Personnel Management representatives from Washington, D.C.**

- Your Headquarters Offices are making most of the decisions, but there is much responsibility in the field; understanding HSPD-12 and its implications will be valuable as you gear up to badge all current employees. The workshop will help make sense of the following:
- **HSPD-12:** <http://www.whitehouse.gov/news/releases/2004/08/20040827-8.html>
- **Federal Information Processing Standard:** <http://csrc.nist.gov/piv-program/index.html>;
- **OMB Guidance M05-24:** [www.whitehouse.gov/omb/memoranda/fy2005/m05-24.pdf](http://www.whitehouse.gov/omb/memoranda/fy2005/m05-24.pdf)
- **Federal Identity Management Handbook:** <http://www.cio.gov/ficc/documents/FederalIdentityManagementHandbook.pdf>
- It's not as easy as it may sound - How many Federal employees are in S.F.? Who do they belong to? How will we comply in a timely and efficient manner? Do your employees have the necessary background investigations?

**Workshop Location -**
